Dear School Supplies Donor:

PERKINS FAMILY CHIROPRACTIC is sponsoring their **Second Annual School Supplies Drive** during the month of August. At the beginning of every school year, there are many children in our community who go to school empty handed. This year, school begins on August 24th and we want to make sure that every child has their school supplies to begin their learning experience with confidence.

Our goal is \$1,000 to collect for Paramount Terrace Elementary School which will help approximately 35 kids. With new families moving into our area, as well as many families feeling the effects of lay-offs this year, there's an increase in need for donations.

New Patient Special Offer:

A \$35 donation allows you to receive your initial consultation and examination at no charge. A report of findings is included. This special offer absolutely expires August 21, 2009.

Your donations are greatly appreciated and will help put smiles on kid's faces! *Together we can make a difference!*

Sincerely,

Dr. Coby Perkins
