

**Dear Business Owner or Manager:**

The time is nearing for the 2017 Flavors of Amarillo and Mariachi Festival which celebrates and honors our nation's rich and diverse cultural heritage by recognizing the contributions of the Hispanic community. This year's event will take place on Thursday, October 5<sup>th</sup> at the Rex Baxter Building.

We invite restaurants and businesses to provide a taste of traditional music, food, art, products and services that create a "melting pot" of diverse cultures and influences.

This event attracts a broad and demographically diverse audience. Our community is a cross section of multi-generational foreign born Hispanics, Mexican-Americans, Generation Next and mainstream Baby Boomer audiences. According to Hispanic Trends Report, Hispanic consumers represent a rapidly growing customer base with buying power that is expected to climb to \$1.7 trillion by 2017.

We are a relationship culture, and extremely loyal to products and services that cater to our cultural needs. What better way to show your support of a significant and growing segment of our community and economy than by celebrating the growing Hispanic Culture.

Don't miss the opportunity to market your products and services and create a top of mind awareness within the Hispanic market.

We are proud to provide marketing opportunities to our members and local community events that celebrate our diverse cultural influence. A list of sponsorship options is attached for your review. We look forward to your participation and support!

Sincerely,

AHCC Flavors Committee
